

Assignment #4 – User Stories (3%)

The fourth assignment is to be done individually and is due on **Monday, November 19th, 2018, at 23:30**. You are required to submit a PDF or DOC(X) file with your **user stories** in myCourses. Clearly state the course name and number, term, and your name on the first page of your file. If you are using an application other than MSWord, then convert your file first to either a PDF file or a DOC(X) file. The assignment is graded out of **100** marks.

User Stories

Specify as many user stories as you can think of but not more than 15 that best describe the features of the Hotwire website at <https://www.hotwire.com>. Cover the scope of the Hotwire website as much as possible with your user stories. Consistently use a template for user stories discussed in class. If necessary, group your user stories under epic stories. Clearly label an epic user story as «epic». Provide as many acceptance criteria for the "Book Hotel" user story you can think of but not more than 10 acceptance criteria. You do not need to provide acceptance criteria for any other user story. Number each user story and acceptance criteria to uniquely identify them.
